

Pico Network

Ambassador & Marketing Partnerships Plan

1. Overview

Pico Network is a next-generation token mining platform. To expand our reach and reward our supporters, we have allocated 10% of total \$PICO tokens for marketing, partnerships, and ambassadors.

2. Token Allocation

10% of total \$PICO tokens reserved for:

- Ambassadors
- Marketing partners
- Strategic partnerships

3. Eligibility

Individuals or teams actively promoting Pico Network

Those bringing new users, forming partnerships, or creating awareness

Participants must submit regular work reports

4. Distribution Method

Tokens are distributed based on performance and contributions

Metrics include:

- Number of new users referred
- Social media promotion results
- Partnership or collaboration outcomes

Distribution is transparent and fair

5. Reporting & Rewards

Ambassadors submit weekly/monthly work reports

Tokens will be calculated based on contributions

Exceptional performers may receive bonus \$PICO tokens

6. Benefits for Ambassadors & Partners

Direct \$PICO token rewards

Recognition within Pico Network community

Exclusive opportunities and potential leadership roles
